It's Time to Make Your Career Goals a Reality at Holmes Murphy

Founded in 1932, Holmes Murphy & Associates is one of America's leading premier risk management and insurance brokerage firms. Our business is insurance and financial solutions that protect the security and profitability of leading professional and commercial clients. Supporting the success and stature of our clients is fundamental to our mission.

Holmes Murphy is a highly respected company among industry leaders. Our goal is to negotiate the most comprehensive and cost-effective property and casualty and employee benefit plans for businesses across the nation. Our account managers are responsible for ensuring our valued clients receive the right risk management and employee benefit services that meet their needs.

"At Holmes Murphy, we continue to be a great company looking to get better by focusing on doing what's right for our clients, our employees, our business partners and our communities."

Jim Swift
President and CEO

Building the Framework for Successful Account Managers

Holmes Murphy offers a great opportunity for professionals to build their careers. As an account manager for Holmes Murphy, you will be working with an elite team of professionals who build and deliver strategic property and casualty and employee benefit solutions for clients. Holmes Murphy has positions available for professionals at every career level.

Holmes Murphy is looking for professionals who are:

- Interested in providing outstanding client service
- Committed to growing their professional career in the insurance industry
- Detail-oriented and organized with the ability to prioritize tasks
- Flexible and able to meet multiple deadlines
- Motivated by a fast-paced, energetic environment

Holmes Murphy Provides Resources and Tools for Your Career

Learning Environment

Developing your professional skills is one of our top priorities. As an account manager you will be exposed to unmatched learning experiences led by our professional development department. This specialized team of experts is dedicated to providing our employees with opportunities to participate in industry-related courses and seminars, both in and outside the company. Holmes Murphy encourages your professional growth by offering access to various educational opportunities.

"Holmes Murphy inspires me to be better at what I do and who I am. The positive reinforcement, the opportunities to grow personally and professionally and the business relationships have created a great sense of satisfaction. I'm fortunate to work with some of the most knowledgeable people in the industry."

Lori Baldwin
Account Manager

Access to Cutting Edge Resources

You will have access to industry leading technology, including a patent pending sales system, and the ability to interact with best practices teams to share resources. All these tools are designed to help you successfully provide service solutions to our clients.

Dynamic Workplace

Being a member of the Holmes Murphy team means you are part of an elite group of experts. Our dynamic, entrepreneurial culture allows team members the flexibility to provide exceptional service and insurance solutions for our clients.

Specialized Leadership Development

In addition to our professional development department, HMA Service University is available to our high-performing employees. This specialized curriculum is taught by top executives that guide you through a series of leadership skills assessment and hands-on experiences that will help develop the leader within you.
