Fraternal Property Management Association Liability Insurance Program

The Fraternal Property Management Association (FPMA) is an Illinois association form to provide deep risk management and educational resources and access to customized property and casualty insurance products for fraternity and sorority house corporations. The FPMA Liability Insurance program provides comprehensive liability protection specifically designed to supplement the liability insurance provided to a house corporation under a national liability insurance program. Through the utilization of master policies, the FPMA provides a house corporation the ability to obtain broad coverage at a competitive price.
