

# Holmes Murphy Fraternal Practice Client Advocacy

**The goal of Client Advocacy is to create goodwill via the establishment of win-win circumstances while also ensuring equitable contractual relationships.**

Holmes Murphy Fraternal Practice (HFMP) believes a committed advocacy effort to eliminate non-equitable relationships is critical to the long-term well-being of our fraternal client organizations.

## **What documents does HMFP review?**

- University Housing Agreements
- University Relationship Statements
- University Recognition Policies
- University Facility Use Agreements

## **What do we review within the documents?**

The HMFP review addresses equitable terms within the limits of coverage for the following areas:

- Insurance requirements
- Indemnification language
- Waiver of Subrogation
- Miscellaneous insurance related issues

## **What is the process?**

- Prior to contract execution, documents should be sent to [fraternitycontracts@holmesmurphy.com](mailto:fraternitycontracts@holmesmurphy.com). This can be a long process so submitting documents early is best.
- HMFP will make direct contact with individual campus professionals to address concerns and obtain the most equitable terms within the limits of coverage.
- Our team will communicate back to the client and other HMFP clients on that campus.
