

Holmes Murphy Residential Property Management Association Program

The Residential Property Management Association (RPMA) provides property and liability insurance program designed solely for student housing owners and property managers. In addition, RPMA provides loss control and educational assistance to owners and managers to continuously improve their facilities.

Residential Property Management Association Program (RPMA) Highlights:

- A Property Casualty insurance program that provides, in most cases, broader insurance coverage with lower premiums
- Partnerships with "A" Rated insurance companies, as rated by the AM Best & Company.
- Terms and conditions designed specifically for owners and managers of student housing
- Industry experts who provide comprehensive loss control and claim services
- An easy application and binding process
- Available in all 50 states

Why Holmes Murphy?
